**FLAVOUR CHOICES included:** Raspberry, Lime, Cola, Pine Crush, Blue Lemonade

To use this machine you need to get some ice. (And keep it in a big container.)  
We can loan matching eskys (small, or large on wheels.) And a colourful banner can be loaned too.

**So easy to operate.** Just scoop ice cubes into the shave cage (enclosed for safety.) Then just press the 'on' button to run it and make the snow, in a few seconds. See the fluffy snow fall into the reservoir below, ready to scoop and serve. Once the snow is scooped into a cup, pour the chosen flavour/s over the top. Cart has storage area below for cups etc. Made in USA.

**Supplies:** Snow Cone cups, 5 choices of flavour, in dispensing bottles, spoon-straws, ice scoop.

Optional delivery and/or pick up (local area only) for a fee.
